

Agricultural & Biological Engineering

Renovation & Addition – Building Naming Opportunities

Agricultural & Biological Engineering

Building Name

\$5,000,000

Basement Locations:

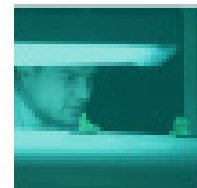

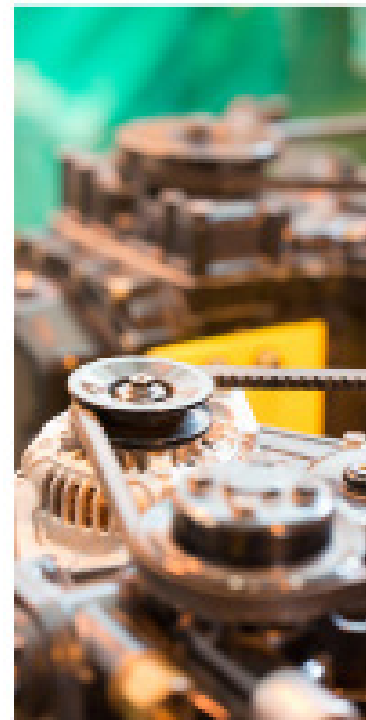

Classroom – 90 seats		\$1,000,000
Classroom – 50 seats	Pending	\$500,000
Classroom – 30 seats		\$300,000
Flex Teaching Lab (Dry Bench)	Pending	\$250,000
Flex Teaching Lab (Wet Bench)		\$250,000
Maker Space	Pending	\$150,000
Grinding Lab		\$75,000

First Floor Locations:

High Bay	Pending	\$1,000,000
Machine Shop	Pending	\$250,000
Terrace	Pending	\$200,000
Sensors Lab	Pending	\$150,000
Distillation & Fermentation Lab		\$150,000
Safety Research Lab		\$100,000
Environmental Field Operations		\$75,000
Collaboration Space		\$50,000

Second Floor Locations:

Computational Lab (2 available)	Pending (1)	\$100,000
Collaboration Hub	Pending	\$100,000
Faculty Office (multiple available)		\$25,000
Huddle Room (2 available)		\$25,000

Agricultural & Biological Engineering

Renovation & Addition – Building Naming Opportunities

Third Floor Locations:

Environmental Research Lab	(South)	\$500,000
	(East)	\$250,000
	(West)	\$250,000
Maker Space		\$100,000
Large Conference Room		\$75,000
Conference Room	(2 available)	\$50,000
Graduate Student Suite	(3 available)	\$35,000
Huddles	(5 available)	\$25,000
Faculty Office	(multiple available)	\$25,000

Fourth Floor Locations:

Bioprocess Engineering Research Lab	(South)	\$250,000
	(West)	\$250,000
	(North 1)	\$150,000
	(North 2)	\$100,000
Food Engineering Research Lab	(South)	\$250,000
	(East)	\$250,000
Graduate Student Suite	(2 available)	\$35,000

Fifth Floor Locations:

Bio-Engineering Research Lab	(South)	\$500,000
	(East)	\$250,000
	(West)	\$250,000
Maker Space		\$100,000
Conference Room		\$50,000
Graduate Student Suite	(2 available)	\$35,000
